

CAMPUS CHURCH *of Christ*

LOVING GOD AND LOVING OTHERS
through a growing relationship with Christ
Mark 12:28-31

January 3, 2010

"How is your spiritual life going?"

I used to answer this question by looking at the state of my devotional activities: Did I pray and read the Bible enough today? The problem is that by this measure the Pharisees always win. People can be very disciplined, but remain proud and spiteful. How do we measure spiritual growth so that the Pharisees don't win?.....The main measure of your devotion to God is not your devotional life. It is simply your life.

I asked a wise man, "How do you assess the well-being of your soul?"

He immediately said, "I ask myself two questions":

~ Am I growing more easily discouraged these days?

~ Am I growing more easily irritated these days?

At the core of a flourishing soul are the love of God and the peace of God. If peace is growing in me, I am less easily discouraged. If love is growing, I am less easily irritated. It was a brilliantly helpful diagnostic to assess the health of my soul.

How would you answer those two questions?

Just for Visitors...

We're so delighted to have you with us today—it is a blessing from God and an answer to our prayers. We have asked and continue to ask God to bring us special people. We know you are not here by accident. We hope you'll come again! Please pick up a free cassette or CD of today's lesson, in the Family Resource Center located in the foyer. *May God bless your week!*

Parenting Teens

New Wednesday Adult Class

This class will be useful to parents of young children, not just parents of teens. The focus will be on learning “how to talk so kids will listen and listen so kids will talk” so that we build self confidence and self worth rather than angering, discouraging, inflicting hurt and tearing down. We will study how to raise self reliant children who have positive perceptions of their personal capabilities and significance and who develop strong intrapersonal, interpersonal, systemic and judgmental skills. We will blend scriptural principles with the insights from five parenting books and Carolyn Harrell's 44 years experience teaching teens. In the process, we will try to address specific parenting challenges of class participants with teaching, discussion and role playing.
