## *Happy Mother's Day!*

What took me by surprise is the way I feel when her face lights up when I walk into a room because I am her world and she is mine. Being a mother is like taking your heart out of your chest and watching it walk around. ~ Author Unknown

When I was a child, my mother said to me, 'If you become a soldier, you'll be a general. If you become a monk you'll end up as the pope.' Instead I became a painter and wound up as Picasso. ~ Pablo Picasso

When you are a mother, you are never really alone in your thoughts. A mother always has to think twice, once for herself and once for her child. ~ Sophia Loren

Grown don't mean nothing to a mother. A child is a child. They get bigger, older, but grown? What's that suppose to mean? In my heart it don't mean a thing. ~Toni Morrison, *Beloved*, 1987

Before you were conceived I wanted you. Before you were born I loved you. Before you were here an hour I would die for you. This is the miracle of love. ~ Maureen Hawkins
